

The Trendsetter

Sewing Machine - NQ550

Advanced needle threading system and automatic thread tension

With the touch of a button, the thread is pushed through the eye of the needle.

Reinforcement Stitch

Automatically sew a tie-off stitch when working on your projects, so useful for decorative stitches.

8.3" from needle to arm

More room to the right of the needle makes it easier to work on projects of all sizes.

100 built-in sewing stitches

Including 7 styles of one-step auto-size buttonholes and 4 sewing lettering fonts.

Stitch combination

Personalize your stitches with the stitch combination feature! Customization has never been easier.

The Trendsetter is the perfect trend-setting machine, offering flexibility, convenience and exciting features at a super affordable price. Its professional-grade quality allows you to expand your sewing capabilities to new levels. Feel the difference in sewing with longer feed dogs for better stability and enhanced fabric control.
