

The DreamCreator™

Sewing and Quilting Machine - VQ2400

MuVit™ Digital Dual Feed

Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control.

Our largest workspace ever

Enjoy a 5" x 11.25" workspace that provides plenty of space for large projects.

561 built-in sewing stitches

Including 14 styles of one-step auto-size buttonholes and 5 sewing lettering fonts.

Automatic Height Adjuster™

Helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent regardless of fabric thickness, leading to consistent stitch quality across uneven surfaces.

Large 3.6" x 6.0" LCD touch screen display

See up to 260,000 colours with little or no on-screen colour shifting. View on-screen tutorials, and control the machine with the large, intuitive on-screen icons.

V
SERIES

If you have a passion for quilting and sewing, the DreamCreator® VQ2400 from the V-Series lineup will thrill you. This versatile quilting and sewing machine was built to give home-based quilting and sewing enthusiasts their next dream machine. Advanced features like the MuVit™ Digital Dual Feed – a motor-driven foot and smooth, easy pivoting with the Pivot Function, make this the ideal machine for working on quilts or any project with thin or layered fabrics. Built with 50% brighter lighting than most Brother™ machines, you can now see your work in brilliant light... no more task lights needed!
