The Entrepreneur® Pro X

Embroidery Machine - PR1050X

High-speed background scanning

Up to 5x the scanning speed and up to 3x the resolution of prior models. Just scan your fabric or garment, preview your design on screen, and you're ready to embroider.

Wide variety of designs at your fingertips

Includes 699 built-in embroidery designs, 11 fonts, 8 monogram designs and more.

Up to 1,000 stitches per minute

Finish gorgeous, multi-colour creations faster than ever before. Impressive 10-colour, 50,000 stitch-count designs can be completed up to 12% faster than a 6-needle machine, and up to 30% faster than a single-needle machine.

Automatic 10-needle-threading system

As the only multi-needle machine with a built-in automatic needle-threading system, you'll thread each needle in seconds - with just the touch of a button.

14" x 8" embroidery area

The extra-large embroidery area and the variety of included and optional frames give you the flexibility to create a multitude of projects.

Industry Firsts

InnovEye® 2 Technology

For precise positioning. It's like having a built-in camera and scanner.

Enhanced My Design Center

New design capabilities to make your projects unique, all without a PC.

ScanImation™ Scanning Frame

Scan drawings and printed clip art directly into My Design Center.

Large LCD screen

10.1" built-in high definition LCD screen with intuitive user interface.
