

The Trendsetter 2

Sewing Machine - NQ575

Automatic thread cutter

Automatically cuts the upper and lower thread.

2.4" easy view touch screen LCD display

Use the bright, touch screen display to manage all your sewing functions.

8.3" from needle to arm

More room to the right of the needle to easily maneuver fabric when working on projects of all sizes.

Stitch combination

Personalize your stitches with the stitch combination feature! Customization has never been easier.

Built-in stitches, buttonhole styles and fonts

100 built-in sewing stitches, 7 styles of one-step auto-size buttonholes and 4 sewing lettering fonts

Take your passion for sewing to the next level with the newest addition to the Q-Series lineup, The Trendsetter 2. This lightweight machine is a perfect classroom machine, as it offers flexibility and convenience at an affordable price. Enjoy improved sewing with longer feed dogs for better stability. Make your projects unique by personalizing your stitches with the stitch combination feature.
