

## For anything, anytime, anywhere

With a great range of different tapes and ribbons to choose from, your labelling options are pretty much limitless. Create stylish ribbons and laminated decorative, durable labels that will add extra flair to your home or office. Whatever your labelling needs, there's a P-touch tape that's right for you.

### TZe Tape Range

With thermal transfer ink sandwiched between two protective layers of PET (polyester film), Brother P-touch laminated TZe tapes are engineered using an innovative laminated tape technology that combines six layers of materials for exceptional durability and performance. With over 60 colour and size variations, the range includes standard laminated tapes, decorative tapes and special function tapes.

**Cable wire (flexible id) tape**  
Designed to laminate and stick to itself, this tape is ideal for wire wrapping, flagging and labelling cables, PVC piping and other cylindrical surfaces.

**Fabric iron-on tape**  
Label virtually any cotton item like workwear, school uniforms and kids' clothing with this iron-on tape that produces white cloth labels with navy blue lettering.

**Tamper evident tape**  
Perfect for property security applications, this tape has a special telltale adhesive that leaves behind a checkerboard pattern if a label has been tampered with or removed.

**Extra strength adhesive tape**  
Ideal for labelling even the toughest surfaces such as uneven or rough textures, slippery painted metals or plastics and items exposed to harsh environments.

**Laminated decorative patterned tapes**  
Easily add special touches to crafts, gifts and so much more with personalized, durable and unique decorative tapes.

**Non-laminated decorative satin ribbons**  
Enhance giftwrapping, party favours, cards, invitations, crafts and handmade treasures with our wide selection of non-laminated, non-adhesive satin ribbons.
