9 Requires Internet connection and an account with desired service.  
10 See system requirements on [www.brother.com](http://www.brother.com)

11 Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.  
12 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.  
13 Additional purchase required.  
14 Approximate page yields in accordance with ISO 24711. For more page yield information see [www.brother.com/pageyield](http://www.brother.com/pageyield).

15 Requires internet connection.  
16 Requires connection to a wireless network. Brother Mobile Connect free app download is not available in all countries.  
\* Based on total in box yields of approximately 7,200 pages with the MFC-J4345DW XL as compared to 1,800 with the MFC-J4335DW, at 60% black pages/40% colour pages in accordance with ISO/IEC 24711 using 4 cartridges provided in-box. For additional page yield information, see [www.brother.com/pageyield](http://www.brother.com/pageyield).  
▼ Based on average monthly print volumes of approximately 300 pages at 60% black pages/40% colour pages in accordance with ISO/IEC 24711 using 4 cartridges provided in-box. For additional page yield information, see [www.brother.com/pageyield](http://www.brother.com/pageyield).
