UPC Code	012502649670
Unit Dimensions	410 W x 399 D x 272 H mm (WxDxH)
Unit Weight	10.1 Kg
Carton Dimensions	517 x 580 x 434 mm (WxDxH)
Carton Weight	13.7 Kg

* Additional purchase required.
∞ Maximum capacity based on using 20 lb. paper.
♦ Feature available using Brother ControlCenter. Requires connection to a wireless network. See www.brother.ca for details, availability and mobile device compatibility.
• The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
◊ Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
▼ Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).
^ Drum yield is approx., and may vary by type of use.
◊ Server 2008/2012 network printing only.
