The Sewist

Sewing Machine - NQ700

Advanced needle threading system and automatic thread tension

With the touch of a button, the thread is pushed through the eye of the needle.

Reinforcement Stitch

Automatically sew a tie-off stitch or easily sew a row of decorative stitches.

8.3" from needle to arm

More room to the right of the needle to easily maneuver fabric when working on projects of all sizes.

180 built-in sewing stitches

Including 10 styles of one-step auto-size buttonholes and 5 sewing lettering fonts.

My Custom StitchTM feature

Create personalized sewing stitches and save for future use.

For the beginner or the experienced seamstress, the NQ700 from the Q-Series lineup has an array of 180 built-in stitches that allow you to be creative in your designs. With a 14% larger workspace versus previous model and improved sewing with longer feed dogs and the included zigzag foot, this machine is ideal for making, repairing or altering clothes and home furnishings.
