

The DreamWeaver™ XE

Sewing, Quilting and Embroidery Machine - VM6200D

Sew Straight™ Laser Vision Guide

It's never been easier to sew straight lines. A huge benefit when quilting, piecing, pintucking and aligning rows of stitches.

Our largest workspace ever

Enjoy a 5" x 11.25" workspace that provides plenty of space for large projects.

561 built-in sewing stitches

Including 318 built-in embroidery designs, 91 designs featuring Disney characters, 14 styles of one-step auto-size buttonholes, 14 embroidery fonts, and 140 frame pattern combinations.

Droplight™ Embroidery Positioning Marker

The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.

Large 3.6" x 6.0" LCD touch screen display

See up to 260,000 colours with little or no on-screen colour shifting. View on-screen tutorials, and control the machine with the large, intuitive on-screen icons.

V-Sonic™ Pen Pal for sewing

Touch the fabric with the sensor pen for needle placement, setting the stitch width and setting the endpoint.

V
SERIES

DreamWeaver™ XE is the exciting new mid-priced combination

quilting, sewing and embroidery machine, which is downright dreamy – revolutionary technology, reliability, and ease of operation make this the perfect addition to create projects you've always dreamed of, all while adding a touch of sophistication to your sewing room. This exciting combination machine is packed with Brother exclusive and industry-first features. A new chassis gives 5.0" x 11.25" of workspace – our biggest work area ever. Featuring 10" LED lighting for brilliant, full-spectrum lighting. With 1,050 stitches per minute, you will be creating more works of art in less time. Become a master by watching on-screen tutorials with the large LCD touch screen display which offers vivid, crystal-clear lucidity. If all the industry-first features weren't enough to make your dreams come true, this machine also has many exciting features that customers have come to love, like the Automatic Height Adjuster™ AHA® feature and automatic needle threading.
