

Big Bird Feather Lamp

Embellish a plain lamp shade with a feather boa. Paper clips or hot glue will hold the boa in place invisibly.

Polka Dotted Wall Finish

Paint wall base colour **ST003 Sunny Day**, Measure and mark placement of dots with level 1036-027. (Shown dots are 8" apart horizontally and 6" apart vertically with every other row staggered).

Dip the rounded end of a 4" foam roller in **ST002 Birdseed Milkshake** and press onto marked spot. Continue until wall is finished.
