

# HWH Specialty Hydraulic Oil

## For HWH Leveling & Room Extension Systems

HWH Hydraulic Oil is a clear hydraulic oil manufactured by Conoco, exclusively for HWH Corporation, for use in HWH Hydraulic Leveling Systems and Hydraulic Room Extension Systems. The oil possesses characteristics similar to synthetic oil, actually outperforming it in most cases.

### HWH Hydraulic Oil Features...

- ~ Optimum frictional properties for smooth performance.
- ~ Superior thermal and oxidative stability ensures long fluid life.
- ~ Exceptional low temperature performance. (Pour point rated at -50 degrees Fahrenheit.)
- ~ Resistant to oil thickening, and hence, less fluid friction during the service life of the oil.
- ~ So pure, it's colorless. Oil is undyed.
- ~ Free of contaminants that cause lubricant breakdown, ensuring a longer lasting lubricant.
- ~ Synthetic like performance. In test after test of quality indicators this oil outperforms synthetic oils, in most cases.
- ~ Better pumpability.

HWH Hydraulic Oil can be purchased from RV Dealers, Accessory Stores & Service Centers nationwide. Available in 55 gallon drums and quart size.
