

The Strong & Tough

Sewing Machine - H537ST

Easy automatic threading system

Just touch the lever on the side of the machine, and the thread is automatically pushed right through the needle!

53 unique built-in stitches, including the most popular utility and decorative stitches

For everyday sewing: blind hem stitch for virtually invisible hems, stretch stitches for knits, reinforcement stitches, zigzag, and more. You can even do free-motion sewing with Brother's drop-feed feature!

Durable metal needle plate

For smoother fabric feeding.

Quick-set drop-in top bobbin

Brother's exclusive Quick-set drop-in top bobbin helps ensure your bobbin stays in place for the reliable, even stitch quality you need.

Included walking foot

For better control of difficult fabrics as well as multiple layers of fabric.

Built for performance, Brother's Strong & Tough Sewing Machine is strong enough to handle virtually any sewing and mending project. This tough little machine is versatile, durable and dependable, designed to tackle a wide range of fabric weights and thicknesses, from multiple layers of heavyweight fabrics, thick seams, jeans hem, outdoor projects, to lightweight silks! Loaded with heavy-duty features and accessories, Brother's H537ST is your simple solution to life's tough projects.
