

Wireless Compact Desktop Scanner

ADS-1250W

With a compact size, simple workflow applications and wireless or USB connectivity options, the Brother ADS-1250W features fast scan speeds and image optimization, making it a perfect choice for all your home office, small office or on-the-go scanning needs.

TOP FEATURES

Fast scanning keeps you moving.

Scan single and double-sided, colour and black and white documents in a single pass at up to 25 ppm¹.

Portable, convenient power.

Its compact design and USB 3.0 connection lets you easily power up via laptop or PC – a must for mobile professionals⁷.

Scan a variety of documents automatically.

Easily scan documents, plastic cards, receipts and photos up to 34" long using the up to 20-page capacity auto document feeder.

Connect your way.

Wireless scanning to PC and mobile devices³ plus USB 3.0 interface for local connections.

Optimize your business processes.

Supports multiple scan-to-destinations including File², OCR², Email, mobile devices³ and USB flash memory drive⁴.

Scan to mobile devices.

Scanning to compatible mobile devices³ is easy using the free Brother iPrint&Scan app.

Versatile scanning.

Dedicated card slot makes scanning plastic cards simple and quick.

Optimizes images and text for storage/ classification.

Enhances scans with automatic colour detection/adjustment, image rotation (PC only), bleed through/background removal, text enhancement and colour drop.

Do more with bundled software.

The included software suite provides document management and OCR software⁶.

At your side support.

1-year limited warranty and free online or live chat support for the life of your product.

Specifications:

Scanner Type	Dual CIS
