DCP-7030 Laser Multi-Function Copier

Efficient multifunctionality achieves more.

Impressive multifunction capability

The DCP-7030 is a compact and affordable digital laser copier and printer. Uniquely combining user-friendly functionality and high quality, it is designed to easily adapt to your work and make your printing, scanning and copying more efficient.

Professional quality output

Create crisp, professional looking documents with high quality, monochrome laser printing, at up to 2400 x 600 dpi and up to 23 pages per minute.

Powerful, user-friendly scanning

Enjoy vivid image capture through at up to 19200 x 19200 dpi (interpolated) resolution colour scanner. Easily scan your documents to E-Mail, to file or to OCR.

Compactness and versatility

Save space with the DCP-7030's compact and elegant design, featuring an enclosed, up to 250 sheet paper tray and a manual by-pass slot for printing envelopes, letterhead and card stock. Its Hi-Speed USB 2.0 interface* ensures seamless integration.

Convenient copying

Get the most out of standalone copying, with reduction and enlargement from 25% to 400% and convenient multi-copying with sorting.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one year limited warranty supported by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.

For added support, the "Brother Solutions Center" (http://solutions.brother.com) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your machine.

Product Specifications
