paper capacity

High-yield
replacement toner
cartridges available

DCP-7060D Laser Multi-Function Copier

Experience the Brother mono laser all-in-one series.

Ideal for the desktop or small office

The DCP-7060D is designed with small office and home office users in mind. It offers high quality copying and scanning as well as automatic two-sided printing. Its small, compact design complements virtually any environment.

Professional quality output

Create crisp, professional looking documents with high quality, monochrome laser printing, at up to 2400 x 600 dpi and up to 24 pages per minute.

Versatile paper handling

The DCP-7060D's compact design features an enclosed, up to 250 sheet paper tray and a manual by-pass slot for printing envelopes, letterhead and card stock. Use the document glass for convenience copying or high-quality colour scanning. Get the most out of reduction and enlargement from 25% to 400% and convenient multi-copying with sorting.

Automatic two-sided printing

Its automatic two-sided print feature helps save paper and reduce costs. Create professional two-sided documents and booklets.

Value

A high-yield replacement toner cartridge helps lower your operating costs. The DCP-7060D also offers high quality colour scanning and a variety of 'scan to' features such as scan to E-mail, to file or scan to OCR (optical character recognition).

Total customer satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, including 24/7 web support. Our DCP-7060D's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
