Experience the Brother mono laser fax series.

A perfect fit for your home or office

The IntelliFAX-2840 is a compact laser fax perfect for the home or small office. Fast, efficient and easy to use, it packs a whole lot of fax functionality into a small footprint.

Timesaving features

The IntelliFAX-2840 offers everything you need to make your faxing efficient. Up to 272 broadcasting locations, 200 speed dial locations, 22 one-touch keys and it can also receive fax and voice calls on the same telephone line.

Fast high-quality output at a smart cost

Whether printing incoming faxes, or making copies at up to 21 copies per minute, you can expect, crisp, clear, professional output every time. Affordable to own and operate, the laser IntelliFAX-2840 uses both standard and high-yield replacement toner cartridges. Its high yield toner cartridge allows you to print more than twice as many pages, compared to the standard-yield cartridge to help you save on costs. There is also a built-in USB interface for your future printing needs. Just download the free printer driver, install it on your computer and your fax machine becomes a printer too!
