FAX-575 Personal Fax, Phone & Copier

Full-featured fax

512 Kb memory stores up to 25 pages* for out-of-paper reception and memory transmission. 104-station auto-dialing, broadcasting (up to 104 locations) and a 10-page Automatic Document Feeder (ADF) allow you to fax a multiple page document. Built-in automatic fax/tel switch enables fax and phone calls on a single line.

Convenience copying in a compact design

Compact, low profile unit provides convenience copying with reduction and enlargement from 50% to 150%. Also includes convenient multi-copying (up to 99) with sorting.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year limited warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.

For added support, the Brother Solutions Center (<http://solutions.brother.com>) is an online repository of information, user manuals and FAQs to help you get the most out of your fax.
