HL-3040CN Digital colour printer

An outstanding value in colour printing for your home or small office.

Brilliant colour output for impressive business documents

The HL-3040CN is a fast, compact printer that produces brilliant colour output at up to 17 ppm in both colour and black. With up to 600 x 2400 dpi resolution, it is ideal for printing high-impact, colour brochures, presentations and other important business documents, quickly and affordably.

Flexible and easy to share

The HL-3040CN provides a built-in Ethernet interface, for sharing on your network. User-friendly installation and easy to use software make for a seamless printing experience.

Smart, stylish design

The HL-3040CN's top-loading design makes it easy to install and replace toner cartridges. Its stylish, space-saving design helps save valuable workspace and complements virtually any environment.

Effective document handling

An adjustable 250-sheet capacity paper tray handles up to legal-size paper. A convenient manual feed slot and rear paper exit provide a straight-through paper path for printing envelopes, thicker media and custom paper sizes. Reduce print costs with toner save mode which helps extend the life of your toner cartridge.
