HL-3070CW Digital colour printer

An outstanding value in colour printing for your home or small office.

Brilliant colour output for impressive business documents

The HL-3070CW is a fast, compact printer that produces brilliant colour output at up to 17 ppm in both colour and black. With up to 600 x 2400 dpi resolution, it is ideal for printing high-impact, colour brochures, presentations and other important business documents, quickly and affordably.

Flexible, Wireless and easy to share

The HL-3070CW provides built-in wireless 802.11b/g and Ethernet interfaces, for sharing on your network. User-friendly installation and easy to use software make for a seamless printing experience. PCL6 and BR-Script3* emulations ensure wide compatibility.

Smart, stylish design with direct printing

The compact HL-3070CW is built to help make your work more efficient with an included USB Direct Interface to print PDF and JPEG files directly from your USB flash memory drive or PictBridge-enabled digital camera†, without even using your computer.

Effective document handling

An adjustable 250-sheet capacity paper tray handles up to legal-size paper. A convenient manual feed slot and rear paper exit provide a straight-through paper path for printing envelopes, thicker media and custom paper sizes. 64MB standard memory enables fast processing of important print jobs. Reduce print costs with toner save mode which helps extend the life of your toner cartridge.

Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, 7 days a week[■], including 24/7 web support. Our HL-3070CW's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
