

FOR MAKERS AND CREATORS EVERYWHERE

Fabric Printing Made Easy

- **Wireless connectivity**

With built-in wireless connectivity, you can use your favourite design software or the Artspira app and print directly from your computer or any smart device to your HLJF1 PrintModa fabric printer.

- **Rapid print speeds**

Unlike big box crafting stores, PrintModa takes just minutes to create custom fabrics with a personalized touch.

- **One-of-a-kind fabric**

Add your personalized designs to clothing, quilts, home decorations, cushions and more. There's no limit to what you can create.

- **Superior inkjet quality**

PrintModa uses Brother Genuine standard yield INKvestment Tank ink cartridges that deliver superior inkjet print quality with vivid prints you can rely on.

- **Included digital project**

Kick off your creative journey with the included tote bag and purse digital projects.

- **The ideal craft companion**

With PrintModa and Artspira¹, you'll have no problem creating unique projects for gift giving and holiday celebrations.

- **Powered by the Artspira app**

Download the Artspira app and discover an array of designs to choose from.¹

- **A unique versatile printer**

PrintModa has two print settings, depending on your design. You can choose either rich colour printing (vibrant) or eco mode (light) for all your projects. Plus, it has a trimmer on the back of the machine for easy trimming. You can even choose to print on regular paper by adding paper to tray one!
