Carton Weight	12.4 Kg

At your side support. Online or live chat – free support for the life of your printer. At Brother, we want to ensure that your experience with us is exceptional. Visit us at [brother.ca](http://brother.ca) where you can download the latest product drivers and software, view product manuals, learn how to get the most out of your product with how-to videos and find answers to frequently asked questions.

### Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth. [www.brotherearth.com](http://www.brotherearth.com)

COMPATIBLE WITH  
**WINDOWS**

<sup>▲</sup> From ready mode and standard tray.

<sup>\*</sup> PostScript®3™ compatible.

<sup>\*</sup> Additional purchase required.

<sup>∞</sup> Maximum capacity based on using 20 lb. paper.

<sup>◇</sup> Requires connection to a wireless network. See [www.connectprintshare.ca](http://www.connectprintshare.ca) for more details, availability and mobile device compatibility.

<sup>◇</sup> Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

<sup>\*</sup> The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

<sup>▼</sup> Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).

<sup>^</sup> Approximately 30,000 pages based on 1 page per job and 50,000 pages based on 3 pages per job [letter/A4 simplex pages]. The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
