- PostScript<sup>®</sup>3<sup>™</sup> compatible.
- For the latest OS compatibility and to download drivers, visit support.brother.com. Printing via macOS requires the use of AirPrint. Mac printer drivers are not provided.
- Requires connection to a wireless network.
- Maximum capacity based on using 20 lb. paper.
- Half speed and straight paper output with more than 28lb.
- May require free download. Compatibility may vary by device and operating system.
- Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
- The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
- Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).
- Approximately 45,000 pages based on 1 page per job and 75,000 pages based on 3 pages per job (letter/A4 simplex pages). The number of pages may be affected by a variety of factors including but not limited to media type and media size.
- Requires additional purchase.
