MFC-295CN Colour Inkjet Multi-Function Center®

Versatile, All-in-one features you can share.

Versatile and network-ready, for the small office.

The MFC-295CN has a lot to offer in a compact package for the home and small office user. Its space-saving combination of print, copy, scan and fax functionality is ideally suited for a networked environment.

Built-in network interface

Easily share the MFC-295CN's convenient features

with user-friendly network installation. Share print, scan and PC-FAX send[†] features as well as access digital camera media cards, PictBridge-enabled cameras or USB flash drives[†] over your network.

Unattended fax, copy or scan

The MFC-295CN's up to 15-page auto document feeder allows you to send multi-page faxes as well as make high quality multi-page scans or copies unattended, freeing up your time for other important things.

Direct photo printing

You can also print lifelike photo images directly from your media cards, PictBridge-enabled cameras or USB flash drives[†] without even using your computer. Enjoy vivid, borderless colour output with droplet size as small as 1.5 picoliters and resolutions up to 6000 x 1200 dpi[†].

Convenient fax capability

The MFC-295CN is designed to work with fax and phone on the same line using the Auto Fax / Telephone switching feature. Never miss a fax with 200 page out-of-paper reception[‡].

Savings on ink

Our efficient 4-cartridge ink system means that you only change the cartridge that needs replacing. Brother genuine supplies ensure consistent, high-quality results.

Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, 7 days a week[¶], including 24/7 web support. Our MFC-295CN's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
