MFC-3360C Colour Inkjet Multi-Function Center®

Imagine and communicate

Superior print quality and speed

Experience high quality, colour inkjet output, at speeds of up to 25 ppm black and 20 ppm colour.

High quality colour scanning

Enjoy precise image capture provided by an up to 2400 x 2400 dpi interpolated colour scanner.

Digital colour copying in a simple, user-friendly design

Compact and easy to use, the MFC-3360C provides versatile colour copying with reduction and enlargement from 25% to 400%.

Fast, full featured fax capability

High speed 33.6 Kbps fax includes 200-page out-of-paper reception**, 110 station auto-dialing, broadcasting (to up to 160 locations), as well as a 20-page Auto Document Feeder (ADF).

User-friendly software suite

Enhance your productivity with ScanSoft® PaperPort® and PaperPort® SE Omnipage® OCR, allowing you to modify scanned images as well as turn them into editable text.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year exchange express limited warranty or depot limited warranty supported by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.

For added support, the "Brother Solutions Center" (<http://solutions.brother.com>) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your machine.
