MFC-7220 Laser Multi-Function Center™

It's simply one of the best things that can happen to your desktop.

Crisp print quality at high speed

Experience high quality, up to 1,200 x 600 dpi monochrome laser printing at a top speed of up to 20 pages per minute. Also includes a 250-sheet front-loading paper tray for letter and legal paper sizes.

User friendly scanning

Up to 1,200 x 1,200 dpi scanning (interpolated). A dedicated scan button enables easy scanning to e-mail, image, OCR or file.

Digital copying in a compact design

Compact, low profile unit provides convenience copying with reduction and enlargement from 50% to 200% as well as 2-in-1 and 4-in-1 layouts. Also includes convenient multi-copying (up to 99) with sorting.

Full-featured fax capability

16 MB memory stores up to 500 pages** for out-of-paper reception. 210 station auto-dialing, broadcasting (up to 260 locations) and a transmission lock security feature to limit outgoing faxes.

Toner save mode

Use the MFC-7220 toner save mode to extend the life of your toner cartridge. This feature saves you money. Use it for non-critical print jobs.

Easy to use software

Enhance your productivity with ScanSoft® PaperPort® and Omnipage® OCR (for Windows®) as well as Presto! PageManager® (for Mac®) allowing you to modify scanned images as well as turn them into editable text. A user friendly filing system helps keep your work organized.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year exchange express limited warranty backed by our nationwide network of authorized customer-care centers. We also provide machine lifetime toll-free technical support.

For added support, the Brother® Solutions Center (<http://solutions.brother.com>) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your MFC.
