at your side

MFC-795CW Colour Inkjet Multi-Function Center®

Effortless touchscreen convenience. Powerful features you can share.

A complete communication tool for the small office

With the MFC-795CW you get impressive speed, consistent quality and a complete feature set for the small office or home office, all in a surprisingly small package. Print, scan, copy and fax functions are complemented by an intuitive 5" touchscreen colour LCD, to help you navigate extensive functions easily.

Built-in wireless & wired interfaces

Everyone will want you to share the MFC-795CW's powerful features. You can, with user-friendly network installation. Your network users can share print, scan, PC-FAX and access digital camera media cards or USB flash memory† over your wireless or wired network.

A touchscreen experience

The MFC-795CW's powerful features will never overwhelm you. User-friendly touchscreen technology makes it easy to edit and enhance images, preview faxes, check ink levels and so much more.

More home office features

The MFC-795CW's message center, with its built-in answering machine and full-duplex speakerphone is designed to work in perfect tandem with its fax functionality. It's PhotoCapture Center® allows you to enhance your photographs, without a PC, removing red eye or adapting skin tone or scenery colours so you get the perfect picture before printing.

An ink system designed to save you money

Our efficient 4-cartridge system means that you only change the cartridge that needs replacing. Brother genuine supplies ensure high-quality results.

Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, 7 days a week■, including 24/7 web support. Our MFC-795CW's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
