MFC-8220 Laser Multi-Function Center™

Ideal for your business.

Digital copying in a robust design

Provides versatile copying with reduction and enlargement from 25% to 400% and convenient multi-copying (up to 99) with sorting.

Superior print quality and speed

Experience high quality, monochrome laser output with Brother's exclusive HQ1200 technology (up to 2400 x 600 dpi), even at a top speed of 21 pages per minute. There is no trade-off between print speed and high quality output.

High quality scanning

Enjoy crisp image capture provided by an up to 9600 x 9600 dpi high-resolution scanner. A dedicated scan button enables easy scanning to e-mail, OCR or file.

Easy to use software

Enhance your productivity with easy to install and easy to use software including ScanSoft® PaperPort® and Omnipage® OCR, allowing you to modify scanned images as well as turn them into editable text. A user friendly filing system helps keep your work organized.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year exchange express limited warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.

For added support, the Brother Solutions Center (<http://solutions.brother.com>) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your MFC.
