TouchScreen display for easy navigation

Easy wireless setup. 802.11b/g/n network connection

4 separate ink cartridges. Change only the colour that needs replacing

MFC-J280W Colour Inkjet Multi-Function Center®

Experience the user-friendly Brother inkjet all-in-one series.

Easy to use and efficient
The compact MFC-J280W combines easy to use All-in-one functionality with wireless networking and 1.9" TouchScreen colour LCD display. Perfect for the home or small office, the MFC-J280W will print, copy, scan and fax in vivid colour.

TouchScreen LCD Display and dedicated function keys
The 1.9" TouchScreen colour LCD and Touch Panel controls provide intuitive menu navigation. display provides intuitive menu navigation. Easily switch between Fax, Scan and Copy functions with dedicated keys.

Simple to set up and share wirelessly
Share the MFC-J280W with user-friendly network installation. Network print, scan and send faxes directly from a Network PC using the PC-FAX feature. Print images from or scan images to your Apple® or Android™ mobile device using the free downloadable Brother iPrint&Scan application.

Fast and efficient
Improve your productivity with fast print speeds at up to 33 ppm black and 26 ppm colour.*The 14.4 K bps fax modem enables you to send and receive documents without even using your PC!

Savings on ink
Our efficient, easy to use 4-cartridge system means that you only change the cartridge that needs replacing. The Ink Save Mode helps reduce consumption by outlining images for draft printing. Optional high-yield ink cartridges will also help save on costs.[1]

Total Customer Satisfaction
Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, including 24/7 web support. Our MFC-J280W's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
