Multifunction Colour Inkjet Printer

MFC-J4335DW

INKvestment
TANK

This revolutionary colour inkjet printer features reengineered high capacity ink cartridges that provide up to 1 year of uninterrupted printing of approximately 150 pages per month, using only the cartridges provided in-box.*

Print up to 20 ppm
black/19 ppm colour

1.8" colour display
with onscreen menu

2-year limited
warranty

- **INKvest in a printer you won't want to replace.**
Experience exceptional savings, super convenience and truly uninterrupted printing for up to 1 year using only the four included cartridges.¹
- **Revolutionary INKvestment Tank Technology.**
The INKvestment Tank's internal tank works with reengineered INKvestment Tank ink cartridges to eliminate manual refilling. This helps to deliver more pages of convenient, worry-free printing without sacrificing the compact, desktop size.
- **Brother INKvestment Tank front-loading ink cartridges.**
The easy-to-use, front-loading plug-in INKvestment Tank ink cartridges hold more ink than traditional cartridges to continually supply ink to the internal tank, so you get more pages without needing to refill. When refilling is needed, simply take out the empty cartridge, plug in a replacement and get back to printing with no waiting and no mess.
- **Put the power of printing at your fingertips.**
The simple-to-use free Brother Mobile Connect³ app delivers easy onscreen menu navigation for printing, copying, scanning and device management from your mobile device.
- **Large page yields mean less frequent ink replacement.**
When you do need to replace your ink supply, choose Brother Genuine standard-yield for up to 3,000 black/1,500 colour pages or high-yield for up to 6,000 black/5,000 colour pages⁶ per replacement INKvestment Tank cartridge for even more convenience and uninterrupted printing.
- **Print with confidence using Page Gauge.[^]**
Help take the guesswork out of when to replace ink by using Brother's Page Gauge, a visual, numerical way to know the amount of ink you've used and the amount of ink you have remaining. Check ink levels directly from the printer's LCD colour display or use the free Brother Mobile Connect³ app to check from virtually anywhere using your mobile device.
- **Simple to connect your way.**
Versatile connection options include built-in wireless,⁴ Wi-Fi Direct[®] or local connection to a single computer via USB interface. It also works with Alexa; add voice control by combining with an Alexa device.
- **Brother At Your Side.** 2-year limited warranty and At Your Side support for the life of your product.

Specifications:

8 PC-Fax Send Only for Mac® users.

9 Requires Internet connection and an account with desired service.

10 See system requirements on www.brother.ca

11 Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

12 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

13 Additional purchase required.

14 Approximate page yields in accordance with ISO 24711. For more page yield information see www.brother.com/pageyield.

15 Requires internet connection.

* Based on average monthly print volumes of approximately 150 pages at 60% black pages/40% colour pages in accordance with ISO/IEC 24711 using 4 cartridges provided in-box. For additional page yield information, see www.brother.com/pageyield.

^ Page Gauge is an estimate for informational purposes only. For actual cartridge yield information refer to www.brother.com/pageyield.
