INKvestment
TANK

This revolutionary colour inkjet printer features reengineered high capacity ink cartridges that provide up to 1 year of uninterrupted printing of approximately 150 pages per month, using only the cartridges provided in-box.*

Up to 1 year of ink in the box ▼

Two paper trays - 400 sheet capacity

2.7" touchscreen display

- **No ink replacement for up to 1 year.** Experience truly uninterrupted printing, exceptional savings and super convenience with up to 1 year of ink, using only the 4 cartridges provided in-box.*

- **Revolutionary INKvestment Tank Technology.** The internal tank works with reengineered ink cartridges to eliminate manual refilling. This helps to deliver more pages of convenient, worry-free printing without sacrificing the compact, desktop size.

- **Brother INKvestment Tank front-loading ink cartridges.** The easy-to-use, front-loading INKvestment Tank cartridges hold more ink than traditional cartridges to continually supply ink to the internal tank. When refilling is needed, simply take out the empty cartridge, plug in a replacement and get back to printing with no waiting and no mess.

- **Put the power of printing at your fingertips.** The free Brother Mobile Connect[13] app delivers easy onscreen menu navigation for printing, copying, scanning and device management from your mobile device.

- **Generous 2.7" touchscreen.** Navigate features and print-from and scan-to popular cloud services including Google Drive™, Dropbox, Box, OneDrive and more[9] directly from the printer.

- **Large page yields mean less ink replacement.** When you need to replace your ink supply, choose Brother Genuine standard yield ink cartridge for up to 3,000 black/1,500 colour pages or high-yield ink cartridge for up to 6,000 black/5,000 colour pages[18] per cartridge.

- **Simple to connect your way.** Connection options include built-in wireless,[13] Wi-Fi Direct®, Ethernet or local connect via USB interface. The NFC (Near Field Communication)[11] feature simplifies direct printing from a cell phone or other mobile device. Works with Alexa; add voice control by combining with an Alexa device.

- **Print with confidence using Page Gauge.** This feature offers a visual, numerical way to know the amount of ink you've used and have remaining.^ Check ink levels directly from the printer touchscreen or use the free Brother Mobile Connect[13] app.

- **Brother At Your Side.** 2-Year limited warranty and support for the life of your printer.

12 See system requirements on www.brother.com
13 Requires connection to a wireless network. The Brother Mobile Connect free app download is not available in all countries.
14 Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
15 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

* Based on average monthly print volumes of approximately 150 pages at 60% black pages/40% colour pages in accordance with ISO/IEC 24711 using 4 cartridges provided in-box. For additional page yield information, see www.brother.com/pageyield.
^ Page Gauge is an estimate for informational purposes only. For actual cartridge yield information refer to www.brother.com/pageyield.
