Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth.

COMPATIBLE WITH
WINDOWS

1. ISO print speed based on ISO/IEC 24734 (after first set of ISO test pages). For more details, please visit www.brother-usa.com/printspeed.
2. Based on ISO/IEC 17629 and standard tray.
3. Resolutions are listed by vertical by horizontal dpi.
4. ISO copy speed is based on ISO/IEC 24735.
5. Colour and monochrome scan speed with all advanced features turned off, LTR at 300 dpi.
6. Requires mail server support.
7. Scan to USB memory stick: JPEG and PDF (colour/grayscale), TIFF and PDF (black/white), Print from USB memory stick, JPEG format only.
8. Requires an Internet connection and an account with desired service.
9. Windows only.

10. Requires an Internet connection.
11. Black and white only. Based on ITU-test 1 Chart No.1 at standard resolution with MMR compression.
12. PC Fax Send Only for Mac® users.
13. See system requirements on www.brother-usa.com
14. Requires connection to a wireless network.
15. Maximum capacity based on using 20 lb. paper.
16. Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

17. The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
18. Approximate page yields in accordance with ISO 24711. For more page yield information see www.brother.com/pageyield.
19. The mobile device must have NFC capability and run Android OS 4.4 or later.
