# PT-2430PC Electronic Labelling System

## Great labelling for your office, just seconds away.

### Powerful yet simple office labelling

The PT-2430PC is perfect for a busy office because just about anyone can use it. Create labels within seconds, simply by connecting it to your PC. Compact and lightweight, it's perfect for on the go labelling for field technicians, name badges, hospitality and events, Trade shows and much more.

### Easy to use and secure

The PT-2430PC's built-in software and plug and label functionality makes it simple: Just connect to your PC using the included USB cable, press the power button, and within seconds begin using the intuitive P-touch® software to create labels incorporating almost any fonts, graphics or images for the majority of typical business needs.

When you are done making labels, simply turn the PT-2430PC off and disconnect it from your PC. No software is left behind on your computer, making it safe and easy to share throughout your office.

For making more complex labels with a variety of symbols and industry-standard bar code symbologies, the PT-2430PC also includes the full version of P-touch® Editor software on CD.

### Durable laminated labels

The PT-2430PC allows you to create an astonishing variety of labels up to 24 mm (1") wide. Choose from a wide range of TZ tapes to match your application - use Standard Laminated Tapes for indoor and outdoor use or use one of our specialty tapes for labelling everything from wires and cables to rough textured surfaces to protecting valuable assets and more. Change tape widths and colours in seconds with convenient interchangeable TZ tape cassettes.

### Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, 7 days a week■, including 24/7 web support. Our PT-2430PC's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
