

Industrial labelling. At your fingertips.

Up to 24 mm (1") labelling for data communications, electrical and more.

- Rugged design with rubber impact guards.
- Design and download label templates, logos and more.
- Transfer, edit and print from a database.
- Bright, easy to see backlit display.
- Software, rechargeable battery pack & AC adapter included.
- 164 built-in Industrial symbols.
- Includes bar code labelling.

Built-in templates for panels, ports, wiring & many other tel-com/data-comm applications

Large selection of tough, long lasting tapes

Rugged and durable with rubber impact guards

PT-7600 Electronic Labelling System

What can you label?

A versatile industrial labeller

Rugged and designed for productivity, the PT-7600 comes with everything you need for labelling large jobs onsite and on demand. It's bright backlight display lets you work where you need to. The PT-7600 comes complete with 164 built-in industrial symbols.

Easy to use

The PT-7600 is simple to use: just type and print a label or design custom label templates on a computer, download to the PT-7600 and then quickly recall and print labels. Link the label templates to a Microsoft® Excel® or Access® database, transfer files to the PT-7600 and then print a label by simply searching on a key word and editing any field.

Durable laminated labels

Choose from a wide range of TZ tapes, up to 24 mm (1") wide to match your application. Their sharp print quality and great durability resists smearing and fading, and they are resistant to extreme temperatures, chemicals, moisture and abrasion. Use standard laminated tapes or use one of our specialty tapes for labelling everything from wires and cables to rough textured surfaces to protecting valuable assets and more.

Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, 7 days a week, including 24/7 web support. Our PT-7600 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.

Product Specifications

HARDWARE

- Keyboard**
ABCD
- Cutter**
Manual
- LCD**
16 character x 2 line backlit screen
- Batteries**
Rechargeable battery included or 6 AA alkaline batteries (not included)
- AC adapter**
AD-18 (included)
- Tape technology**
Thermal transfer
- Tape family**
TZ (laminated tape)
- Tape widths**
6 mm (1/4"), 9 mm (3/8"), 12 mm (1/2"), 18 mm (3/4"), 24 mm (1")
- Tape length**
8 meters (unless otherwise specified)
- Print resolution**
180 dpi
- Print speed**
10 mm/sec
- PC connectivity**
USB
- Warranty**
1 year limited exchange express warranty
- Included items**
Custom carrying case, AC adapter (AD-18), USB interface cable, Rechargeable battery (BA-7000), one 9mm (3/8") black on white extra strength adhesive tape, adjustable wrist/neck strap, software
