

**So much more than an ordinary label maker, the Brother P-touch PT-D460BT Expert Connected Label Maker is the right choice for smart businesses!**

### **Connected Label Maker with Bluetooth**

- Bluetooth® connectivity that allows multiple users to access the same label maker from their computer or smart device using the Brother P-touch Editor Software<sup>1</sup> or the iPrint&Label app<sup>1</sup>.
- With a QWERTY keyboard and easy one-touch formatting keys, you can also store up to 70 frequently used label layouts for quick reprinting.
- Make professional-looking labels with barcodes, images, and QR codes. Choose from 16 fonts, 15 font styles, 140 frames, and 800 symbols for the ultimate in customization.
- Prints on durable Brother TZe laminated label tapes up to 18 mm (~3/4") wide, available in a variety of finishes and colours and ideal for various indoor or outdoor applications.

<sup>1</sup> Additional download required. Software app compatibility may vary based on operating system. App availability may vary based on country.
