# PT-H300LI Electronic Labelling System

P-touch®. The only way to label!

## Professional labelling anywhere

This intuitive "take-it-anywhere" labeller is great for business owners and other professionals whose work environment is away from a desk or outside an office. The large, Brother™ Vivid Bright graphical display allows labelling in most any environment. The included rechargeable battery pack powers on-the-go use, while the power adapter (also included) is perfect when labelling at a desk.

## Speed, efficiency and ease of use

Fast print speeds and pre-designed labels support efficient labelling. Choose from a variety of fonts, symbols or frames to create custom, personalized labels...even print barcodes. The large, keyboard-style layout enables easy and accurate typing, while

the convenient, one-touch keys permit quick and easy label formatting and editing – while on-the-go or standing. Print multi-line labels for a variety of applications.

## Durable laminated labels

Choose from a wide range of TZe tapes with an array of colours and varieties, up to 18 mm (3/4") wide to match your application. Their sharp print quality and great durability resists smearing and fading, and they are resistant to extreme temperatures, chemicals, moisture and abrasion. The split back tapes offer a hassle free application, with easy peel and stick. Use standard laminated tapes or use one of our specialty tapes such as Extra-strength adhesive, Acid free, Cable and wire, Tamper evident, Fabric iron-on,

Super narrow or Decorative for labelling everything from wires and cables to rough textured surfaces to protecting valuable assets and more. Print labels with large crisp text up to 42pt. Works with rechargeable Li-ion battery pack, or AC adapter (both included) or 6 x AA batteries (optional).
