you have our word on it.**

Personal Desktop Label Maker

The Brother P-touch legacy of performance, value, and quality continues the PT-N20, a dynamic desktop label maker that's a useful addition to any area of your home, small office, workshop, or studio.

- Make every label unique with a selection of 3 fonts, 6 font styles, 15 frames, and 250 symbols.
- Preview before you print on the 15-character display to avoid errors and typos.
- Save and quickly reprint up to 10 favourite or frequently used labels.
