QL-500 Electronic Labelling System

P-touch®

A better way to get organized.

Affordable, simple and flexible

The QL-500 enables you to print quick, beautiful labels from your computer. Print text or graphics on a variety of durable die-cut labels including name badge, address, shipping, file folder and CD/DVD sizes. Or, use the wide, 2-3/7" durable paper or film tape for wide labels, signs and banners. User-friendly and simple to setup and operate, the QL-500 has easy to load drop-in supplies.

User-friendly software

The QL-500 comes with free P-touch® Editor software to create custom labels using virtually any combination of True Type fonts, clip art, logos and graphics so you can get the maximum out of its label printing. You can also use Brother QL add-ins to print from familiar Microsoft® applications –such as Word, Excel and Outlook. Other software features include database connectivity with .xls, .csv, .txt and .mdb file types as well as P-touch® library and history functions for quick access to frequently used labels and graphics.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a limited one-year parts / 90 days labour warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.
