Fast labelling, in time with your business

Affordable labelling, with time and date stamp

The QL-650TD is a fast, user-friendly label printer that provides standalone time and date labelling, and the ability to accept ASCII data. The QL-650TD is a truly versatile, low-cost solution for many labelling needs.

Featuring...

- Crisp 300 dpi printing
- Up to 56 labels per minute*
- Easy-to-load die-cut and continuous label rolls
- Free P-touch® Editor software to create custom labels
- 8 preset templates
- Serial port for ESC/P and ASCII input

QL-650TD Electronic Labelling System

A better way to get organized

Fast, versatile and affordable
The Brother QL-650TD label printer prints a wide variety of pre-sized and continuous paper labels and continuous film labels. At up to 56 labels per minute (for a standard, four-line address label) and 300 dpi resolution, the QL-650TD combines fast versatile output with ease of use and low maintenance requirements.

Unique feature
A unique feature of the QL-650TD is the ability to print stored time & date labels when the printer is disconnected from a computer. Users can select and print from any of 8 pre-set label designs or 10 custom label designs. This is great for medical labs, food services, inspection, and any application that needs time and date validation.

Superior software flexibility and excellent connectivity
The QL-650TD comes with free P-touch® Editor software to create custom labels using virtually any combination of True Type fonts, clip art, logos and graphics. You can also use Brother QL add-ins for click to print from familiar Microsoft® applications –such as Word, Excel and Outlook. The QL-650TD not only includes a USB port for seamless Windows® and Mac® connectivity, but also a serial interface for ESC/P and ASCII input.

Excellent connectivity
Service and support are part of the package
We are dedicated to comprehensive service and support. We provide a limited one-year parts / 90 days labour warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.

PRODUCT SPECIFICATIONS
