Care for your Deck

Clear Coat Wood Preservative is a clear paintable solution that provides protection against rot and mildew on above ground exterior lumber such as fences, decks, sashes, doors and outdoor furniture. It is formulated for projects where no colour change is needed or projects that will be stained or painted.

Features & Benefits:

- **Paintable Clear Solution**
- Protects against rot and mildew on above ground exterior lumber
- Designed for projects where **no colour change** is needed, or that will be stained or painted
- Contains Zinc Naphthenate
- For use on outdoor furniture, fences, decks, sashes, doors and millwork

Item #	Unit/Case pack	UPC	SCC
33-721ARM	946 mL / 4	0-59934-90515-8	600-59934-90515-0
33-724ARM	3.78 L / 2	0-59934-90516-5	400-59934-90516-3
33-728ARM	18.9 L / 1	0-59934-90517-2	NA

Copper II Wood Preservative is a green paintable solution that provides protection against rot and mildew on above ground exterior lumber such as sashes, doors, millwork, fences, windows and plywood. It is formulated for projects where a “soft green” finish matching typical pressure treated lumber colour and no after-coat of paint is desired. Ideal for greenhouse and garden timbers housing non-food producing plants.

Features & Benefits:

- **Paintable Green Solution** for a “soft green” finish
- Provides permanent protection for wood and canvas against rot and mildew
- Copper Naphthenate based
- For above ground, exterior use only: sashes, doors, millwork, fences, windows, plywood

Item #	Unit/Case pack	UPC	SCC
33-691ARM	946 mL / 4	0-59934-90510-3	600-59934-90510-5
33-694ARM	3.78 L / 2	0-59934-90511-0	400-59934-90511-8
33-698ARM	18.9 L / 1	0-59934-90512-7	NA

End Cut Wood Preservative is a green paintable solution that provides protection for cut or drilled wood from rot and mildew on above ground exterior lumber. It is designed for projects allowing a “soft green” finish matching typical pressure treated lumber colour that, over time, will blend with the uncut portion of the wood.

Features & Benefits:

- **Paintable Green Solution** for a “soft green” finish
- For **protecting cut or drilled wood** from rot and mildew
- Copper Naphthenate based
- For exterior and above ground use only; not to be used in dwellings
- May be used on greenhouse and garden timbers in close contact with non-food producing plants

Item #	Unit/Case pack	UPC	SCC
33-701ARM	946 mL / 4	0-59934-90513-4	600-59934-90513-6
33-704ARM	3.78 L / 2	0-59934-90514-1	400-59934-90514-9
