Dirty Bristles,  
Germs or Drips!

## LOOEEZ™ Hygienic Toilet Squeegee

The [LOOEEZ Hygienic Toilet Squeegee](#) is the new hygienic solution for a clean toilet bowl that also saves you time and effort. The patented six blade rubber helix head provides an easier and more effective way to clean the smooth curved surface of your bowl. Forget scrubbing, make your life a little easier and swipe your toilet clean with LOOEEZ.

STAFF PICK

*"I am in love with LOOEEZ, my Hygienic Toilet Squeegee. This product is so easy to use and doesn't require harsh chemicals. It easily cleans those hard to reach areas like under the rim and nothing sticks to it! After making the switch from a typical toilet brush, I now have one in every bathroom." - Jimmy*

- Zeomic, a safe silver-base inorganic additive inhibits the growth of bacteria and eliminates odors caused by germs
- 6 blade helix head maintains contact with the bowl to quickly clean, with less effort
- Water repellent rubber prevents drips and bacteria build up
- Durable rubber outlasts a regular bristle brush, saving you money
- Flexible rubber blades easily clean under the rim and other hard to reach areas
