# T5 Smart Thermostat

with Auto Home and Away Mode

## ENERGY STAR certified

Help save energy, track your heating and cooling with monthly energy reports and get personalized tips on reducing energy use.

## 7-Day Flexible Scheduling or Location Based Temperature Control

It's your choice. 7-day scheduling programs your thermostat. Geofence technology helps make you comfortable by using your smartphone's location to know when you're away and when you return.

## Auto Home and Away Mode

Enjoy ideal temperatures at home, then save when away.

## Auto Change From Heat to Cool

Automatically determines if your home needs heating or cooling to provide maximum comfort.

## Save Energy and Get Rewarded

Check with your energy provider about available energy savings rebates to save on your purchase. Plus, eligible customers can enroll in ongoing energy savings incentives with their energy provider to keep saving all year long.

## Fan Operation\*

Custom fan settings to circulate more or less air, as needed, to keep air moving throughout your home.

\*Fan control dependent on wiring configuration.

## Smart Response and Alerts

Learn patterns to deliver the right comfort and enable filter and temperature alerts.

## Display Options

- °C or °F temperature display 12 or 24 hour clock configuration.
- Touchscreen display
