21.5 Cu. Ft. Counter-Depth 4-Door Refrigerator

This Frigidaire four-door refrigerator offers the Custom-Flex® Temp Zone, which converts from fridge to freezer, so you can store all your family favorites from yogurt to frozen pizza. It helps keep fruits and vegetables fresh longer with CrispSeal® crispers with auto humidity, and it's easy to organize and clean with SpaceWise® organization system and Smudge-Proof® stainless steel.

Available Colors: Stainless Steel

Version: 02/24

### Consumer Benefits

#### Custom-Flex® Temp Zone

Customize your storage space to fit more of your family's favorites, from yogurt to beer to frozen pizza. This zone can be set anywhere from -6 to 45 degrees, the widest range in temperature settings on the market.

#### OpenAccess™ Door

Easily access your favorites - reach up to 75% of your food with only one door open.

#### CrispSeal® Crispers with Auto Humidity

Keep produce fresher longer than traditional slider-controlled crispers with advanced crisper technology that automatically removes excess moisture and blocks out dry air to help prevent spoiling.

#### TwinTech™ Cooling System

Our cooling system ensures temperature and airflow distribution is even in both the refrigerator and freezer. This minimizes common issues, such as freezer burn and warm spots.

#### SpaceWise® Organization System

Find a place for everything with our flexible SpaceWise® Organization System, including an expandable door bin, adjustable shelving, a SnackZone, a flip-up shelf to fit taller items, and a convertible shelf that can be used as shelving storage or used for the built-in wine rack.
