

FCVW3052AS

Undercabinet 30" Ventilation Hood

The Frigidaire Undercabinet 30" Ventilation Hood features a filter indicator light that reminds you when it's time to replace your carbon charcoal filter to continue capturing odors and circulating fresher air. Also offers LED lighting that illuminates the cooktop, soft touch controls that make selecting fan and lighting options easier, and the dual speed fan that recirculates air at 220 CFM.

Available Colors: Black, Stainless Steel, White

Version: 12/23

Consumer Benefits

Filter Indicator Light

Keep your range hood running smoothly with the indicator light that reminds you when it's time to change your carbon charcoal filter.

Carbon Charcoal Filter Included

Enjoy fresher air with the replaceable carbon charcoal recirculation filter, which captures odors and helps filter recirculated air from the exhaust fan.

Refresh Air with Two Speed Fan

Quickly move odors and steam away from the cooktop's surface with two levels of ventilation that recirculate air up to 220 CFM.

Bright LED Lighting

Get a clearer view of your cooktop with two LED lighting modes that illuminate the cooking surface.

Dishwasher Safe Grease Filter

Easily clean the aluminum grease filter by putting it in the dishwasher.

Electronic Touch Controls

Quickly control fan speed and lighting levels with electronic touch controls.
