

## Home Hardware Launches the Scott McGillivray Collection of Advanced Engineered Hardwood

*Transform your home with the Scott McGillivray Collection, available exclusively at Home Hardware stores across Canada*

**ST. JACOBS, ON – February 28, 2020** — Home Hardware has partnered with Scott McGillivray, HGTV Star and TV Host to showcase his new collection of Advanced Engineered Hardwood, available exclusively at Home Hardware, Home Building Centre and Home Hardware Building Centre locations across Canada.

“Wood floors have long been a desirable selling feature in Canadian homes, and this new product makes it easier than ever to install them in any level of the home.” – Scott McGillivray

Offering an option for every design preference, the Scott McGillivray Collection of Advanced Engineered Hardwood is available in six stunning stain colours. Infused with Scott’s signature style and impeccable attention to detail, homeowners can enjoy the luxury and durability of a water-resistant wood floor with the benefits of a floating click system. The unique system brings the warmth of a hardwood floor to any room including a below grade living space without the need for a subfloor.

### *Scott McGillivray Collection:*

White Oak Beach House  
(2530-116)

Hickory Fireside  
(2530-114)

White Oak Serenity  
(2530-112)

White Oak Reclaimed  
(2530-117)

White Oak Revival  
(2530-113)

White Oak Timeless  
(2530-115)

The durability and indent resistant quality of the flooring will keep homeowners happy. Homeowners will also appreciate the ability to install their wood floor immediately after purchase as the waterproof core eliminates the need to acclimate the product.

“Twenty years of renovating homes has taught me what works. I’m thrilled to be able to bring this line of high-quality and high-value flooring to the Canadian market.” – Scott McGillivray
