

The fourth, fifth, sixth and seventh generations of our candy family work in the company.

Sweet success. Jelly Belly is coming off a year of unprecedented growth, success, and iconic brand partnerships. As we enter 2016/2017, we will keep the momentum going with many innovative new items.

Jelly Belly continues to bring you not only the highest quality in candy making, but also relevant products that captivate consumer interest at retail, including the wildly popular BeanBoozled collection, new product and flavor innovations in the ever-evolving Jelly Belly jelly bean line, and the latest pop culture trends through our licensing partnerships with Disney, Lucasfilm, Warner Bros. and DC Comics.

The innovations don't end with our product offerings. We have built a website just for you! Exclusively for direct Specialty customers, our new site makes it easier than ever to place orders and access information about Jelly Belly products. Discover special deals and discounts, browse product and see the current inventory, save your order histories for one-click re-ordering, and order online at your convenience.

Call us today, and let's work together to make this year a tremendous success!
